INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees of Oregon Ballet Theatre

We have audited the accompanying financial statements of Oregon Ballet Theatre (a nonprofit organization), which comprise the statement of financial position as of June 30, 2017, and the related statements of activities, functional expenses, changes in net assets and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Oregon Ballet Theatre as of June 30, 2017, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Supplemental Schedules

The supplemental information on pages 17 and 18 are presented for the purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

OREGON BALLET THEATRE NOTES TO FINANCIAL STATEMENTS JUNE 30, 2017

NOTE 1: ORGANIZATION, OPERATIONS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

(A) Nature of organization and operations:

Oregon Ballet Theatre (OBT) is an Oregon nonprofit organization established in 1989 as the only full-time operating ballet company in the Portland metropolitan region. The ballet company performs an annual season of four programs and also conducts regional and national tours. Through its many programs, OBT's continuing goal is to provide its constituency with performances, education, and training of the highest caliber. OBT's revenue and support are provided through a combination of contributions, grants, ticket sales and tuition.

For the year ended June 30, 2017, OBT operated the following programs:

- (i)**Productions** Annual presentations of the resident professional ballet company and guest artists in a series of subscription and single ticket performances.
- (ii)**School** Professional training for dancers interested in a career in ballet and dance instruction for individuals of all ages. The school also serves as a training ground for dancers entering the ballet company.
- (iii)Educational Outreach Participation in the Young Audiences and other programs through presentation of dance performances and education in dance for school children.

(B)Basis of Presentation:

These financial statements are presented on the accrual basis of accounting in accordance with generally accepted accounting principles. These statements reflect application of the Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC). Under these standards, all contributions are immediately recognized as revenue as soon as pledged (or if not pledged when received) regardless of any restrictions on use placed by the contributor. The basic financial statements are then shown divided into three net assets groups. These are:

Unrestricted Net Assets:

All <u>assets</u> which either have no imposed restrictions on use or whose restrictions have been met by June 30, 2017.

Temporarily Restricted Net Assets:

All <u>contributions</u> by foundations, corporations and individuals with restrictions on use that have not been met by June 30, 2017.

Permanently Restricted Net Assets:

All contributions with permanent restrictions on use that, by definition, will never be met.

NOTE 1: ORGANIZATION, OPERATIONS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

(C)Support and Revenues:

Federal, State and Local Government Grants:

Support from these sources is recognized in the accounting period in which the grants are earned.

Foundations Grants:

Support from these sources is recognized in the accounting period in which the grants are pledged (or if not pledged, when received).

Individual and Corporate Contributions:

Revenue from this source is recognized in the accounting period during which the contribution is pledged (or if not pledged, when received).

(D)Fixed Assets:

OBT follows the practice of capitalizing, at cost, all eligible expenditures for fixed assets. Depreciation is computed on the straight-line method as follows:

Furniture & Equipment 3, 5, 7 and 10 years
Costumes 3, 5 and 10 years
Sets 3, 5, 7 and 10 years
Building Improvements 3, 5 and 39 years
Building 39 years

(E)Income Taxes:

OBT is exempt from income taxes under Section 501 (c) (3) of the United States Internal Revenue Code and is classified as an organization which is not a private foundation under Section 509 (a) of the United States Internal Revenue Code. Donations to the organization qualify for the charitable contributions deduction. During the year ended June 30, 2017, OBT had no unrelated business income as defined by Section 512 of the Code and, therefore no provision for income tax is necessary.

OBT adopted the income standard related to the recognition and measurement of uncertain tax positions. The adoption of this standard had no financial statement effect for OBT. OBT is no longer subject to federal tax examinations for the years prior to 2013 and no longer subject to state income tax examinations for the years prior to 2013.

NOTE 1: ORGANIZATION, OPERATIONS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

(F) Estimates:

The preparation of financial statements in conformity with generally accepted accounting principles in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

(G)Donated Services:

Donated services are recognized at their estimated values at the date of service or donation. OBT received no material donated services during the year ended June 30, 2017. However, many individuals volunteer time and perform a variety of tasks that assist OBT with various administrative and program function. No amounts have been recorded in the financial statements to reflect these volunteers since they do not meet the criteria for recognition.

(H)Functional Allocation of Expenses:

OBT allocates its expenses on a functional basis among its various programs and support services. Expenses that can be identified with a specific program and support services are allocated directly according to their natural expenditure classification. Indirect expenses have been allocated based primarily on salary expenditures.

(I)Concentration of Credit Risk:

OBT maintains bank accounts with financial institutions whose balances are insured by the Federal Deposit Insurance Corporation (FDIC) within limits. Periodically, bank account balances may exceed FDIC coverage. No credit risk is expected from uninsured deposits.

(J)Evaluation of Subsequent Events:

OBT has evaluated subsequent events through October 16, 2017, the date which the financial statements were available to be issued. None were found.

NOTE 2: LONG-TERM FIXED ASSETS

Depreciation is recorded on a straight-line basis over the estimated useful lives of the assets. At June 30, 2017, the value of such assets is as follows:

Furniture and Equipment	\$668,669
Building and Improvements	632,566
Sets	417,221
Costumes	346,338
Less: Accumulated Depreciation	(1,549,440)
Total Long-Term Fixed Assets	
At Cost, less Accumulated Depreciation	\$515,354

NOTE 3: <u>DEFERRED PERFORMANCE COSTS</u>

Deferred Performance Costs represent costs incurred in FY17 that are related to future performances. These amounts are detailed below for the year ended June 30, 2017:

Costume & Set Costs (Includes Supplies, Labor Payroll, &	\$44,350
Artistic Expenses - Costume & Scenery Designers)	
Artistic Expenses - Choreography	16,500
Production Costs	15,439
Artistic Expenses - Music Rights & Royalties	9,300
Total Deferred Performance Costs	\$85,589

In accordance with the Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC), Deferred Performance Costs are recorded as an Other Asset on the Statement of Financial Position.

NOTE 4: FAIR VALUE OF INVESTMENTS

As required by FASB Accounting Standards Codification (ASC) 820, investments are valued at their fair value in the Statement of Financial Position. In accordance with the statement, fair value is defined as the price that the Organization would receive upon selling an asset in an orderly transaction to an independent buyer in the principal or most advantageous market of the asset. A three-tier hierarchy was established by the ASC to maximize the use of the observable market data and minimize the use of unobservable inputs, and to establish classification of fair value measurements for disclosure purposes. Inputs refer broadly to the assumptions that market participants would use in pricing the asset or liability, including assumptions about risk. Inputs may be observable or unobservable. Observable inputs are inputs that reflect the assumptions market participants would use in pricing the asset or liability developed based on market data obtained from sources independent of the reporting entity. Unobservable inputs are inputs that reflect the reporting entity's own assumptions about the assumptions market participants would use in pricing the asset or liability developed based on the best information available. The three-tier hierarchy of inputs is summarized in the three broad levels listed below:

Level 1 – Inputs that reflect unadjusted quoted prices in active markets for identical assets or liabilities that the Organization has the ability to access at the measurement date.

Level 2 – Inputs other than quoted prices that are observable for the asset or liability either directly or indirectly, including inputs in markets that are not considered to be active.

Level 3 – Inputs that are unobservable, including the Organization's own assumptions in determining the fair value of assets.

In some cases, the inputs used to measure fair value might fall in different levels of the fair value hierarchy. In such cases, the level in the fair value hierarchy within which the asset in its entirety falls is determined based on the lowest level input that is significant to the asset in its entirety. Assessing the significance of a particular input to the asset in its entirety requires judgment and considers factors specific to the asset. The categorization of an asset within the hierarchy is based upon the pricing transparency of the asset and does not necessarily correspond to the Organization's perceived risk of liquidity profile of that asset.

The following table presents assets that are measured at fair value on a recurring basis at June 30, 2017:

	Level 1	Level 2	Level 3
Corporate Bond Funds	\$2,685,555		
U.S. Treasury Bond Funds	706,206		
Large Cap	184,611

General Operating Support for 2018 to 2019	\$200,000
Fiscal years 2017/2018 & 2018/2019 Productions	70,000

Total Temporarily restricted net assets	\$382,500

NOTE 6: PERMANENTLY RESTRICTED NET ASSETS - ENDOWMENT

The Organization's endowment consists of donor-restricted funds established to sustain future programs. As required by U.S. generally accepted accounting principles (GAAP), net assets associated with endowment funds are classified and reported based on the existence or absence of donor-imposed restrictions.

Interpretation of Relevant Law

The Board of Trustees of the Organization has interpreted Oregon's enacted Uniform Prudent Management of Institutional Funds Act (UPMIFA or the Act) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary.

As a result of this interpretation, the Organization classifies as permanently restricted net assets (s) the original value of gifts donated to the permanent endowment (b) the original value of subsequent gifts to the permanent endowment and (c) accumulations to the permanent endowment made in accordance with the directions of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund that is not classified in permanently restricted net assets is classified as temporarily restricted net assets until those amounts are appropriated for expenditure by the Organization in a manner consistent with the standard of prudence restricted by the Act. In accordance with UPMIFA, the Organization considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

- 1. The duration and preservation of the fund
- 2. The purposes of the Organization and the donor-restricted endowment fund
- 3. General economic conditions
- 4. The possible effect of inflation and deflation
- 5. The expected total return from income and the appreciation of investments
- 6. Other resources of the Organization
- 7. The investment policies of the Organization

Endowment net assets include only donor-restricted net assets at June 30, 2017. Changes in endowment net assets for the year ended June 30, 2017 are as follows:

Endowment net assets – beginning of year	\$58,423
Contributions	2,000
Endowment net assets – end of year	\$60,423

As of June 30, 2017, the Organization has not implemented policies for investment and appropriating for spending as the funds have not reached the level desired to begin investment planning and spending.

NOTE 7: UNRESTRICTED NET ASSETS – VOLUNTARILY RESTRICTED

For the year ended June 30, 2017, OBT's management decided to voluntarily restrict Unrestricted Net Assets totaling \$25,000 to be released over the next fiscal year. The \$25,000 of Voluntary Restricted Unrestricted Net Assets is shown on the Statement of Financial Position.

NOTE 8: DEFERRED REVENUE

Deferred revenue represents amounts collected in advance for summer school tuition, tickets sales for the next year's performance season, and ticket handling fees for next year. These amounts are detailed below for the year ended June 30, 2017:

Summer School Tuition	\$493,973
2017/2018 Season Subscription & Single Ticket Sales	331,418
2017/2018 Ticket Handling Income	6,591
Adult Workshops	4,876
Total Deferred Revenue	\$836,858

In accordance with the Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC), Deferred Revenue is recorded as a current liability on the Statement of Financial Position.

NOTE 9: LINE OF CREDIT

Oregon Ballet Theatre has a revolving credit limit of \$600,000 with the First Republic Bank with an interest only floating rate of 1-month London Interbank Offered Rate plus 2.25% with floor of 2.75%. The Line of Credit is secured by Marketable Securities and there is an auto annual renewal as of 12/15 unless notified within 30 days. For the year ended June 30, 2017, the balance of the Line of Credit is \$200,000 which appears as a current liability on the statement of financial position.
