INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees of Oregon Ballet Theatre Portland, Oregon

Opinion

We have audited the accompanying financial statements of Oregon Ballet Theatre (a nonprofit organization), which comprise the statement of financial position as of June 30, 2021 and the related statements of activities, functional expenses, changes in net assets, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Oregon Ballet Theatre as of June 30, 2021 and the changes in net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Oregon Ballet Theatre and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Oregon Ballet Theatre's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Oregon Ballet Theatre's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Oregon Ballet Theatre's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Report on Summarized Comparative Information

We have previously audited Oregon Ballet Theatre's 2020 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated October 1, 2020. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2020, is consistent, in all material respects, with the audited financial statements from which it has been derived.

NOTE 1: ORGANIZATION, OPERATIONS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

(A)Nature of organization and operations:

Oregon Ballet Theatre (OBT) is an Oregon nonprofit organization established in 1989 as the only full-time operating ballet company in the Portland metropolitan region. The ballet company performs an annual season of four programs and also conducts regional and national tours. Through its many programs, OBT's continuing goal is to provide its constituency with performances, education, and training of the highest caliber. OBT's revenue and support are provided through a combination of contributions, grants, ticket sales and tuition.

For the year ended June 30, 2021, OBT operated the following programs:

- (i)**Productions** Annual presentations of the resident professional ballet company and guest artists in a series of subscription and single ticket performances.
- (ii)**School** Professional training for dancers interested in a career in ballet and dance instruction for individuals of all ages. The school also serves as a training ground for dancers entering the ballet company.
- (iii)**Educational Outreach** Participation in the Young Audiences and other programs through presentation of dance performances and education in dance for school children.

(B) <u>Basis of Presentation</u>:

These financial statements are presented on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. These statements reflect application of the Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC). Under these standards, all contributions are immediately recognized as revenue as soon as pledged (or if not pledged when received) regardless of any restrictions on use placed by the contributor. The basic financial statements are then shown divided into two net asset groups. These are:

Without Donor Restrictions:

All assets who either have no imposed restrictions on use or whose restrictions have been met by June 30, 2021.

With Donor Restrictions:

All <u>contributions</u> by foundations, organizations, corporate and individuals with restrictions on use that have not been met by June 30, 2021.

NOTE 1: ORGANIZATION, OPERATIONS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

(C)Support and Revenues:

Federal, State and Local Government Grants:

Support from these sources is recognized in the accounting period in which the grants are pledged (or if not pledged, when received). Additionally, grants with conditions are not recognized until the conditions have been met.

Foundations and Trust Grants:

Support from these sources is recognized in the accounting period in which the grants are pledged (or if not pledged, when received). Additionally, contributions with conditions are not recognized until the conditions have been met.

Individual and Corporate Contributions:

Revenue from this source is recognized in the accounting period during which the contribution is pledged (or if not pledged, when received). Additionally, contributions with conditions are not recognized until the conditions have been met.

Earned Revenue

Revenue from school income, ticket sales, outreach income, warehouse income, boutique & concession income, ticket handling income and costumes income are recognized in the accounting period during which the revenues are earned in accordance with the Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC). See Note 1(L).

Investment Income

Revenue from this source is recognized in the accounting period during which revenues are earned in accordance with the Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC). See Note 13.

(D)Fixed Assets:

OBT follows the practice of capitalizing, at cost, all eligible expenditures for fixed assets. Depreciation is computed on the straight-line method as follows:

Furniture & Equipment 3, 5, 7 and 10 years Costumes 3, 5 and 10 years Sets 3, 5, 7 and 10 years Building Improvements Building 39 years 39 years

NOTE 1: ORGANIZATION, OPERATIONS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

(E)Receivables:

OBT has three kinds of receivables. The grants receivable consists of uncollected grant awards. Pledges receivable consists of pledged promises to give made by individuals and corporate donors. Other receivables consist of unpaid school tuition, student perform series, marketing banners, and costume shop rentals. OBT carries its receivables at an amount equal to uncollected but earned revenue less an allowance for doubtful accounts. OBT uses the allowance method to determine uncollectible receivables. Also, OBT uses the direct write-off method for receivables which have been determined to be uncollectible. On a periodic basis, OBT evaluates its receivables and establishes an allowance for doubtful accounts based on its past experience and current credit conditions. Based on management's evaluation of collectability of the receivables, no allowance for doubtful accounts was recorded for the year ended June 30, 2021.

The receivables for OBT are expected to be collected as follows as of June 30, 2021:

	Grants	Pledges	Other	
	<u>Receivable</u>	Receivable	Receivables	TOTAL
Due within one year	\$199,000	\$87,733	\$18,850	\$305,583
Due in two to five years	25,000	35,000	-0-	60,000
Total Receivable balances	\$224,000	\$122,733	\$18,850	\$365,583

(F)Inventories:

OBT follows the practice of the cost basis for stating inventories. OBT uses the average cost for its method of determining the cost of inventory

(G)Income Taxes:

OBT is exempt from income taxes under Section 501 (c) (3) of the United States Internal Revenue Code and is classified as an organization which is not a private foundation under Section 509 (a) of the United States Internal Revenue Code. Donations to the organization qualify for the charitable contributions' deduction. During the year ended June 30, 2021, OBT had no unrelated business income as defined by Section 512 of the Code and, therefore no provision for income tax is necessary.

OBT adopted the income standard related to the recognition and measurement of uncertain tax positions. The adoption of this standard had no financial statement effect for OBT. OBT is no longer subject to federal tax examinations if the statute of limitations has expired.

(H) Estimates:

The preparation of financial statements in conformity with generally accepted accounting principles in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

-continued-

NOTE 1: ORGANIZATION, OPERATIONS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

(I)Donated Services:

In accordance with FASB's Statement of Financial Standards No. 116, donated services are recognized at their estimated values at the date of service or donation provided that the service received (a) creates or enhances nonfinancial assets or (b) requires specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation. (See NOTE 11).

Many individuals volunteer time and perform a variety of tasks that assist OBT with various administrative and program functions. No amounts have been recorded in the financial statements to reflect these volunteer services since they do not meet the criteria for recognition.

(J)Functional Allocation of Expenses:

OBT allocates its expenses on a functional basis among its various programs and support services. Expenses that can be identified with a specific program and support services are allocated directly according to their natural expenditure classification. Indirect expenses have been allocated based primarily on salary expenditures.

(K)Concentration of Credit Risk:

OBT maintains bank accounts with one financial institution whose balances are insured by the Federal Deposit Insurance Corporation (FDIC) within limits. Accounts at a single institution are insured up to \$250,000 by the Federal Deposit Insurance Corporation (FDIC). Periodically, bank account balances may exceed FDIC coverage. OBT's uninsured cash and cash equivalents at June 30, 021 is \$1,301,283. No credit risk is expected from uninsured deposits.

NOTE 1: ORGANIZATION, OPERATIONS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

(L) New Accounting Standard:

In June 2018, the FASB issued ASU 2018-08, Not-for-Profit Entities (Topic 958), Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made. The ASU clarifies and improves guidance for contributions received and contributions made, and provides guidance to organizations on how to account for certain exchange transactions. This change is preferable in that it clarifies whether to account for transactions as contributions or as exchange transactions. In addition, it clarifies whether a contribution is conditional. As a result, it enhances comparability of financial information among not-for-profit entities.

Additionally, effective January 1, 2020 the Organization adopted Accounting Standards Codification (ASC) 606. *Revenue from Contracts with Customers*, which introduces a new core principle that requires organizations to approach revenue recognition in a new way. The focus of ASC 606 is on the transfer of control and requires that the entity should recognize revenue to depict the transfer of promised goods or services to customers in an amount that they expect to be entitled to in exchange. ASC 606 provides a five-step framework for organizations to determine the amount and timing of revenue recognition:

- Identify the contract(s) with the customer.
- Identify the performance obligations in the contract.
- Determine the transaction price.
- Allocate the transaction price to the performance obligations.
- Recognize revenue when (or as) the entity satisfies a performance obligation.

The Organization has earned revenue resulting from school income, ticket sales, outreach income, warehouse income, boutique & concession income, costumes income, and ticket handling fees. For the year ended June 30, 2021, the earned revenue listed above has been recognized following the five-step framework detailed above.

After a detailed evaluation by the Organization, it was determined that the adoption of ASU 2018-08 and ASC 606 do not result in a materially different revenue recognition as compared to previous accounting standards.

(M)Evaluation of Subsequent Events:

OBT's ongoing profitability may experience instability and estimates included in the financial statements may change due to current political and economic conditions as a result of the public health concerns related to the novel coronavirus, or COVID-19. The duration and intensity of these impacts and resulting disruption to which these events effect the organization's business will depend on future developments, which are highly uncertain and cannot be predicted at this time.

Management considered all events through October 12, 2021, the date the financial statements were available for release, in preparing the financial statements and the related disclosures. Management is not aware of any significant events that occurred subsequent to June 30, 2021, but prior to the issuance of this report, that would have a material impact on the financial statements.

NOTE 2: LIQUIDITY AND AVAILABILITY OF FINANCIAL ASSETS

The following represents Oregon Ballet Theatre's financial assets at June 30, 2021:

Financial assets at year-end, net of current liabilities:	
Cash and cash equivalents	\$1,551,284
Investments	4,098,212
Grants Receivable – Short-Term	199,000
Pledges Receivable – Short-Term	87,733
Other Receivables	18,850
Inventory	66,767
Prepaid Expenses	42,575
Less: Current Liabilities	(690,222)
Total financial assets, net of current liabilities	5,374,199
Less amounts not available to be used within one year or for projects outside of general operating activities: Net assets with donor restrictions – See Note 8	
Tessitura software equipment	(115,000)
To sustain future programs – Endowment	(65,023)
	(180,023)
Financial assets available to meet cash needs for general expenditures over the next twelve months	\$5,194,176

Oregon Ballet Theatre's goal is generally to maintain financial assets to meet 90 days of operating expenses (approximately \$664,016). Oregon Ballet Theatre has a credit line of \$900,000 with available funds of \$900,000. As a part of Oregon Ballet Theatre's liquidity plan, excess cash is invested in marketable securities, U.S. Treasury bonds, corporate bonds and mutual funds.

NOTE 3: FAIR VALUE OF INVESTMENTS

As required by FASB Accounting Standards Codification (ASC) 820, investments are valued at their fair value in the Statement of Financial Position. In accordance with the statement, fair value is defined as the price that the Organization would receive upon selling an asset in an orderly transaction to an independent buyer in the principal or most advantageous market of the asset. A three-tier hierarchy was established by the ASC to maximize the use of the observable market data and minimize the use of unobservable inputs, and to establish classification of fair value measurements for disclosure purposes. Inputs refer broadly to the assumptions that market participants would use in pricing the asset or liability, including assumptions about risk. Inputs may be observable or unobservable. Observable inputs are inputs that reflect the assumptions market participants would use in pricing the asset or liability developed based on market data obtained from sources independent of the reporting entity. Unobservable inputs are inputs that reflect the reporting entity's own assumptions about the assumptions market participants would use in pricing the asset or liability developed based on the best information available. The three-tier hierarchy of inputs is summarized in the three broad levels listed below:

Level 1 – Inputs that reflect unadjusted quoted prices in active markets for identical assets or liabilities that the Organization has the ability to access at the measurement date.

Level 2 – Inputs other than quoted prices that are observable for the asset or liability either directly or indirectly, including inputs in markets that are not considered to be active.

Level 3 – Inputs that are unobservable, including the Organization's own assumptions in determining the fair value of assets.

In some cases, the inputs used to measure fair value might fall in different levels of the fair value hierarchy. In such cases, the level in the fair value hierarchy within which the asset in its entirety falls is determined based on the lowest level input that is significant to the asset in its entirety. Assessing the significance of a particular input to the asset in its entirety requires judgment and considers factors specific to the asset. The categorization of an asset within the hierarchy is based upon the pricing transparency of the asset and does not necessarily correspond to the Organization's perceived risk of liquidity profile of that asset.

The following table presents assets that are measured at fair value on a recurring basis at June 30, 2021:

	Level 1	Level 2	Level 3
U. S. Corporate Bonds – Investment Grade	\$2,407,204		
Developed International Equities & Bonds	321,157		
U.S. Treasury Notes & Bonds	678,068		
Large Cap	490,696		
Preferred Securities	100,477		
U.S. Corporate Bonds - Non-Investment			
Grade	100,610		
Total Investments	\$4,098,212	\$-0-	\$-0-

NOTE 4: LONG-TERM FIXED ASSETS

Depreciation is recorded on a straight-line basis over the estimated useful lives of the assets. At June 30, 2021, the value of such assets is as follows:

Furniture and Equipment	\$694,610
Building and Improvements	589,822
Sets	497,850
Costumes	437,480
Less: Accumulated Depreciation	(2,025,396)
Total Long-Term Fixed Assets	
At Cost, less Accumulated Depreciation	\$194,366

NOTE 5: DEFERRED PERFORMANCE COSTS

Deferred Performance Costs represent costs incurred in FY 21 that are related to future performances. These amounts are detailed below for the year ended June 30, 2021:

Costume & Set Costs (Includes Supplies, Labor Payroll, & Artistic	\$23,863
Expenses - Costume & Scenery Designers)	
Artistic Expenses - Choreography	19,000
Artistic Expenses – Music Rights & Royalties	17,000
Total Deferred Performance Costs	\$59,863

In accordance with the Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC), Deferred Performance Costs are recorded as an Other Asset on the Statement of Financial Position.

NOTE 6: <u>DEFERRED REVENUE</u>

Deferred revenue represents amounts collected in advance for summer school tuition, season subscription sales for the next year's performance season, and ticket sales for the next year's performance season. These amounts are detailed below for the year ended June 30, 2021:

Summer School Tuition	\$245,543
2021/2022 Season Subscription Sales	170,236
2021/2022 Ticket Sales	59,492
Total Deferred Revenue	\$475,271

In accordance with the Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC), Deferred Revenue is recorded as a current liability on the Statement of Financial Position.

NOTE 7: LINE OF CREDIT

Oregon Ballet Theatre has a revolving credit limit of \$900,000 with the First Republic Bank with an interest only floating rate of 1-month London Interbank Offered Rate plus 2.25% with floor of 2.75%. NOTE 9: NET ASSETS WITH DONOR RESTRICTION – ENDOWMENT

The Organization's endowment consists of donor-restricted funds established to sustain future programs. As required by U.S. generally accepted accounting principles (GAAP), net assets associated with endowment funds are classified and reported based on the existence or absence of donor-imposed restrictions.

Interpretation of Relevant Law

The Board of Trustees of the Organization has interpreted Oregon's enacted Uniform Prudent Management of Institutional Funds Act (UPMIFA or the Act) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary.

As a result of this interpretation, the Organization classifies as permanently restricted net assets (s) the original value of gifts donated to the permanent endowment (b) the original value of subsequent gifts to the permanent endowment and (c) accumulations to the permanent endowment made in accordance with the directions of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund that is not classified in permanently restricted net assets is classified as temporarily restricted net assets until those amounts are appropriated for expenditure by the Organization in a manner consistent with the standard of prudence restricted by the Act. In accordance with UPMIFA, the Organization considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

- 1. The duration and preservation of the fund
- 2. The purposes of the Organization and the donor-restricted endowment fund
- 3. General economic conditions
- 4. The possible effect of inflation and deflation
- 5. The expected total return from income and the appreciation of investments
- 6. Other resources of the Organization
- 7. The investment policies of the Organization

Endowment net assets include only donor-restricted net assets at June 30, 2021. Changes in endowment net assets for the year ended June 30, 2021 are as follows:

Endowment net assets – beginning of year	\$64,023
Contributions	1,000
Endowment net assets – end of year	\$65,023

As of June 30, 2021, the Organization has not implemented policies for investment and appropriating for spending as the funds have not reached the level desired to begin investment planning and spending.

NOTE 10: SMALL BUSINESS ADMINSTRATION INCOME

Paycheck Protection Program loans

On March 27, 2020, the Coronavirus Aid, Relief and Economic Act ("the Act") was enacted. The Act provided relief to small businesses and nonprofit organizations through the creation of the Paycheck Protection Program ("PPP"). Provided certain criteria are met, the loans and all accrued interest are to be forgiven. Amounts forgiven, or likely to be forgiven, are recognized as government grant revenue when these criteria are met.

In the prior fiscal year, OBT received a PPP loan during the 1st round of loan disbursements in an amount of \$794,394 of which \$668,903 was previously recognized as revenue in FY 2020, based on criteria being met. In FY 2021, OBT expended the remaining balance of \$125,491 in accordance with PPP forgiveness criteria, from the 1st PPP loan for covered expenditures related to payroll. The 1st PPP loan was officially forgiven in total on July 8, 2021.

On April 5, 2021, OBT obtained a 2nd PPP loan in the amount of \$751,798, all of which may be forgivable if certain criteria are met. The loan has a fixed interest rate of 1% and matures on April 5, 2023. Based on available guidance from the federal government at the time of this report, it is likely that this loan and all accrued interest will be forgiven during the next fiscal year.

For the year ended June 30, 2021, OBT had used all of the 2nd PPP loan amount of \$751,798 and the remainder of the 1st PPP loan amount of \$125,491 for a grand total of \$877,289. Forgiveness criteria had been met on this entire amount during FY 2021. Therefore, all \$877,289 is shown on the Statement of Activities as part of government grants. All PPP income was spent on allowable expenditures including Salaries and Wages, Health & Life Insurance, Rent, Cam charges, and Utilities.
